

Announcement

After spending more than three years with us at MKE as associate and senior associate, Mr. Tarek Eltumi will be departing the firm to explore the corporate legal world by joining a major international engineering company.

During his tenure with MKE, Tarek made remarkable progress and notable contributions to the development and expansion of MKE into new areas of legal practice.

All lawyers and staff at MKE will remember Tarek for his high professional skills, ability to liaise and work with others as well as his pleasant character.

We wish Tarek good luck and continued success in his new position.

For any enquiries or follow up concerning pending or previous matters that Tarek was handling or involved in, we kindly request concerned clients to revert to the partner in charge of the matter.
